

The following importer is available to LibDib Makers in Colorado

American Spirits Exchange (ASE) Pricing:

For LibDib Makers, ASE has offered a special rate of \$2 per case with a monthly minimum of \$100 for a single state like WI (or CA, NY, or CO) or their traditional service for \$2 per case with a monthly minimum \$500. That's a \$100 a month saving and allows you to sell into any number of states under their licenses. **ASE also offers a DSP Foundation program** for distillery owners that has a \$5 per case fee but with no monthly minimum.

Here's a brief list of what the Foundation service includes:

- Federal registrations (i.e. COLA submission, lab/formula submission) of imported brands under their permit (domestic producers generally file for their manufactured products.)
- State brand registrations under their infrastructure, as directed.
- Providing a nationally permitted infrastructure for sale of your beverages to designated wholesalers, brokers or states as appropriate.
- Full processing of purchase orders, including review, acceptance, confirmations, communication to warehouse(s), bill of lading review, invoicing and collections of funds on your behalf.
- Filing of monthly compliance reports for shipments of your products into various states.
- Assist with securing FDA Food Facility registration for international production facilities.
- Issuance of key product codes such as UPC, SCC, NABCA, UNIMERC etc.
- Assist with importation of samples for new product development purposes, and so forth.
